

Varitrex Do-it-All folding ladder

✓ Private use

- For jobs in and around the house
- Telescopic adjustable, ideal for use on uneven surfaces
- Stabilisers give added stability

Varitrex Do-it-All Multifunctional folding ladder for at home

The Varitrex Do-it-All is a multifunctional folding ladder. Multifunctional due to 6 hinges. Use it in the A-position (Reform position), ladder position, platform position or wall position. The telescopic component allows you to set the working height and the folding ladder is ideal for uneven surfaces. With the Varitrex Do-it-All, you can tackle any job around the home.

With the stabiliser and anti-slip feet, you are always safe and stable. Once folded, the Varitrex Plus is very compact. Stores away easily. The Varitrex Plus is supplied with two plastic platforms. You can use the folding ladder in scaffold position too.

Multifunctional and versatile

The Varitrex Plus can easily be changed to another position: A-position (Reform position), ladder position, platform position and wall position. Also ideal on uneven floors due to the telescopic mechanism.

Stable and secure

Stabiliser means you are always sturdy and stable. No matter which position you use.

Compact and easy to store

When folded, the ladder takes up very little space. It will fit into any shed or garage.

Multiple positions, different heights

Position the folding ladder in the desired position so that you can reach the height you need to complete your job.
